

COMPATIBLE WITH:

20W DIMMABLE DRIVER

20W CONSTANT CURRENT DIMMABLE DRIVER

IP20

CE & ROHS

2 YEAR WARRANTY

SHORT CIRCUIT
PROTECTION

OVERLOAD
PROTECTION

OVER HEAT
PROTECTION

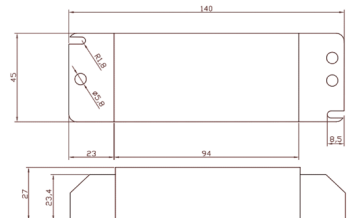

FEATURES & BENEFITS

- Constant current mode output with multiple levels selectable by dip switch
- Protections: Short Circuit/ Over load/ Over Current
- Full protection plastic housing easy installation
- IP20 design for indoor installation
- Cooling by free air convection
- Dimming function: Triac dimmable
- 2 year warranty

DIP MULTIPLE CURRENT FORM
